FROM
29,99€

DRAKKAR

This keyboard has five programmable keys and two profiles, allowing to record up to 10 macros and thus execute complex key combinations by simply pressing one key. Through the 12 shortcut keys, you can also access multimedia functions and main applications without having to leave your game.

MACRO KEYS VARIABLE BACKLIGHT ANTI-GHOSTING MULTIMEDIA SHORTCUTS

Achieve endless series of keystrokes without risking to miss anything during your game thanks to the anti-ghosting function, which allows you to press up to 26 keys at the same time. You can, for example, lock certain keys or change the functions of the usual directional keys in order to play a game your way.

The keyboard's braided cable and gold-plated USB plug ensure a better transfer speed. Moreover, its durability is guaranteed through the keyboard's keys that have a lifespan of over five million keystrokes.

KONIX WEBSITE

Quality Products

At Konix, we make it a point of honour to constantly renew ourselves. As the gaming industry is constantly evolving, so are we, this is why we strive to innovate in order to meet every gamers' expectations. Our website is sure to bring you all the latest information needed on our existing brands as well as licenses.

A Growing Community

Konix is not just a brand, it is also a major player in the gaming market. For instance, we support professional e-sport teams in their quest for success and we also chose to collaborate with video games influencers to demonstrate our values to as many people as possible. Moreover, our customers' opinions matter, which is why we created a "testers' club". This can be joined by subscribing to the specific section on our website, it will allow us to have feedback on our products in order to enhance them to meet your needs.

Our Warranty, Your Satisfaction

In order to live up to our values, Konix offers its customers an exceptional three-year warranty on the entire range of gaming products (except for gaming monitors and furniture). We chose to add another year to the usual warranty type because we have total trust in our products and that quality and performance are important to us. You will find all the details on our website.

Information And Support

You have lost a user manual or simply want to know more about the features of a product? On our website, you can find all the information you need (HQ pictures, product sheets or user manuals). Through the "Notices & Drivers" tab, you can simply access all our product files.

HISTORY OF KONIX
